

The Revolt of the Skeletons in the Closet, romanzo illustrato = A literary novelette, The Revolt of the Skeletons in the Closet tells of the quest of a group of monsters fighting for their own freedom. It is a story about friendship, brotherhood and equality. Its 100 pages will take the reader through the battles of the monsters against the Wizard, Sir Desrius IV, a cruel businessman who has enslaved creatures from all over the world to be part of his Horror Amusement Park in Wolverhampton, England. The book includes a cover, map and 16 illustrations, one for each chapter. The illustrations have been drawn by a young and talented Italian artist, Matteo Franzoni. Forbus takes you on a fantastic struggle for freedom, equality and justice!

L'autore: Jason R. Forbus è un giovane e prolifico scrittore di origini gaetane. Nasce a Roma il 17 dicembre 1984
